Based on the authors years of experience and hundreds of interviews with corporate leaders around the world, Green to Gold, shows how companies generate lasting value - cutting costs, reducing risk, increasing revenues, and creating strong brands - by building environmental thinking into their business strategies. Green to Gold is written for executives at every level and for businesses of all kinds and sizes. Esty and Winston guide leaders through a complex new world of resource shortfalls, regulatory restrictions, and growing pressure from customers and other stakeholders to strive for sustainability.
