AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. We all have a lot to learn in this upside down world that's presently presenting many facets of trials and demanding endeavors. Economics is driving women and men to be emotional in some form and fashion. Today women and men are faced with many emotional encounters of sadness and madness. This emotional darkness is causing many of us to give little thought to our present issues, and react without thinking of the consequences that are very costly. Marriages and relationships are not lasting like the days of our grandparents, due to many catastrophic environmental and personal changes. Kids are lost because of the parents' issues of emotional stresses and emotional blindness. Parents are stressing and blaming the politicians for playing political games of power. Something has to be done about this topsy-turvy world of chaos! Only a few of us know that order comes out of chaos, but times has shown us that we have gone too far to turn back the stages of destruction! Or can we?.
