Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. No other sport, and indeed few other activities evoke as much passion as does baseball. It is a passion that unites generations and genders, laborers and lawyers, Republicans and Democrats. Baseball serves as a common language, a unified way of perceiving the world, a means to greater understanding. Baseball's shrines, rituals, myths, and heroes certainly give it a religious aura, but many activities may be pursued "religiously." Baseball is beyond religion. It is a living myth that puts us in touch with Eternity, with the Infinite. Its Miracle is not some long-ago act that contradicts the laws of physics. Its Miracle is the scrubbing away of cynicism to reveal the fresh-faced child within who is ready to believe, eager to believe, who does believe. **Fathers, Sons, & Holy Ghosts: Baseball as a Spiritual Experience** is an examination in memoir form of how baseball nourishes the spiritual side of those who are part of the game.
