Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

MARRIAGE EDUCATION: GOD'S LESSON PLAN FOR LOVE (AND SEX!) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. "Marriage is honorable among all, and the bed undefiled; but fornicators and adulterers God will judge." Hebrews 13:4 In a culture that celebrates sexual immorality in all forms, the Church is responsible for leading our youth to God's purpose. Something we've done by fighting for Abstinence Education and honoring sexual purity. But as worldly teachings are creeping in, purity has become a farce, and the Christian marriage is disintegrating even more. Despite the virtue of purity, Abstinence Education is simply not enough to heal a generation of young people being tugged in every direction. But Marriage Education will not only give youthful purity a purpose, it may just start to heal new generations of Christian marriages long before their bud. This book uses both lighthearted imagery and sobering Biblical truth to drive home God's plan in a world that tends to ignore it. So whether you are a follower of Christ discouraged by the failure of marriage, a parent concerned about the influence of the culture, or a youth desperate to be heard and understood, you will benefit from a Marriage Education. A curriculum God began the moment He created the second person. "Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh." Genesis 2:24.
