(PAPERBACK) book.

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English. Brand new Book. Does it feel easy or comfortable to imagine what you desire, and to see it as yours? If not, maybe there's a very good reason this feels not as right as it might - one you'll readily recognize. Every time you think a thought, you use your imagination. And, whether you're aware of it or not, you use your mental screen. You literally run a movie in your mind that gets your energy vibration "juices" flowing in one direction or the other. It doesn't matter if you're reviewing a situation, talking, or daydreaming. The "technical" aspects are the same. We're quite skilled at imagining in reverse. We do this each time we revisit something that happened before the present moment we're in. It's imagining forward - in a consistently positive, productive way - that's a challenge for many of us. It's a challenge for a number of reasons, including that we put more practice time in on mentally reliving unpleasant moments, which makes it all too easy to imagine future moments as unpleasant ones to anticipate. Imagining in reverse is remembering. Imagining forward is daydreaming, no matter what other label you might use. And, as any young child discovers in school (and maybe from family members), daydreaming is a "punishable offense." We're told daydreaming is unproductive and a waste of time. We're told there's something wrong with doing it or wrong with us if we do it. But, what is daydreaming, really - or, atleast, the way it starts out for us as children? It's envisioning something we desire, with positive, even delicious, anticipation. Is it any wonder that, after being conditioned in a negative way about daydreaming as children, we feel out of practice,...
