The genuine books mesoporous carbon materials synthesis and application of Liu Yurong(Chinese Edition)

By LIU YU RONG

paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2012-06-01 Pages: 258 Publisher: National Defence Industry Press title: the synthesis and application of mesoporous carbon material Original Price: 48.00 yuan Author: Liu Yurong Press: National Defense Industry Press Publication Date: 2012 -06-01 ISBN: 9787118081435 Words: Pages: 258 Edition: 1 Format: Folio: 16 Weight: Editor's Choice synthesis and application of mesoporous carbon materials is the author of the accumulation of years of teaching experience and research. combined with recent years ed made to the latest literature. Represents the direction of the development of this field disciplines involved. help readers from enlightenment. absorb nutrients. and provide a reference for the new mesoporous materials research and innovation. Abstract ordered mesoporous carbon materials are a new class of nanostructured materials. rules pore structure. large specific surface area and pore volume. good thermal stability and chemical stability of a series of advantages in adsorption. catalysis. have potential applications in many areas such as hydrogen storage and electrochemical prospects. Therefore. upon the birth of mesoporous carbon material caused a high degree of concern in the international physics. chemistry and materials. academic. and rapid...

Reviews

This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You wont sense monotony at at any time of your time (that's what catalogues are for relating to should you request me).

-- **Jaqueline Kerluke**

I just started looking at this pdf. It can be rally fascinating throgh studying period of time. Its been printed in an extremely basic way and is particularly only following i finished reading through this publication where in fact altered me, change the way i really believe.
