

The Enigmatic Brain Reveals (Hardback)

By Dewan Jaglul

AUTHORHOUSE, United States, 2013. Hardback. Condition: New. Language: English. Brand new Book. This book is a result of my childhood questions about myself as I wondered how did I appear to be myself suddenly with hardly any past recollection and I wondered about my understanding of my own experiences in my life and things of that nature. I wanted to look beyond the 'Creator's wish' part, a prevalent mode of resignation of the thought process, to find a logical and scientific explanation by myself through reading. Eventually I developed the wisdom that the answer lies in the understanding of the brain. When I realized that it is my brain that is somehow generating all my experiences for me, it led to a pretty engrossing experience trying to understand it since. Since this is a book about the brain, I thought it was necessary to discuss the fundamental aspect of its structure. However, I only laid a gross picture with broad strokes only after briefly discussing the highlights of the history of evolution of the brain. Then I tried to address some of the big questions like the consciousness and the generation of the mind and self from a neurological point...
