Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. Step by step, breath by breath, heartbeat after heartbeat, the man gets closer to the middle of the tunnel, and there is the sand, half empty; the man keeps on going and the grains keep on falling. Right before the end of the tunnel, just before the last grain falls, the man looks back; what does he see? Prologue The future--it promised a lot. Technology beyond imagination, unbelievable innovations, clean energy, a complete absence of crime, a notable rise in human IQ levels.all of this, thanks to a great Leader who brought humanity out of darkness after the greatest of all wars. But like most humans, the great Leader had had some madness within, though with his charisma and what he had done for humanity, none dared question the things he proposed. So the great Leader had chosen to create a society where there was only beauty. Beauty in every aspect of life, including how humans looked, and he had very precisely set the rules of what it meant to be a physically beautiful human being. After he had finished directing the building of a great city, a giant Metropolis, the Leader died, but his children continued his goals. He had taught that nothing could be truly solved with violence, therefore, the non-beautiful humans were not killed, but merely separated from the beautiful. The beautiful were to live in the great Metropolis, which was surrounded by immense walls and state-of-the-art security, and the non-beautiful--the ugly--had to live in the giant net of villages, with fewer advances, outside...
