Beaufort Books, United States, 2010. Paperback. Condition: New. First Edition. Language: English. Brand new Book. In this profound and incisive work, Angelo M. Codevilla introduces readers to the Ruling Class, the group of bipartisan political elites who run America. This Ruling Class, educated at prestigious universities and convinced of its own superiority, has everything to gain by raising taxes and expanding the reach of government. This class maintains that it knows what is best and continually increases its power over every facet of American life, from family and marriage to the environment, guns, and God. It is becoming increasingly apparent that this Ruling Class does not represent the interests of the majority of Americans, who value self-rule and the freedom on whose promise America was founded. Millions of Americans are now reasserting our right to obey the Constitution, not the Ruling Class. This desire transcends all organizations and joins independents, Republicans, and Democrats into The Country Party, whose members embody the ideas and habits that made America great. The majority of Americans feel that the Ruling Class is demeaning us, impoverishing us, demoralizing us, and want to be rid of it.
